ACCOMODATION GRAND HOTEL ITALIA

The elegant five stars hotel rises on the top of a little hill and offers all the guests a magnificent view on the old and new town of Cluj-Napoca, as well as on the surrounding vast green areas so typical of Transylvania.

Located at only 5 minutes from the old town centre and at 20 minutes from the International Airport of Cluj-Napoca, the Grand Hotel Italia is the ideal place from where to start an exciting journey through Transylvania, a beautiful region, full of charm, history and enchanting natural landscapes, where Bram Stoker decided to set the story of Count Dracula, the worldwide famous protagonist of his classical novel.

The Grand Hotel Italia combines classic elegance and modern Italian design, in the common areas inside and outside the hotel, as well as in the 187 rooms finely decorated and equipped with any kind of modern comfort and in the ultra modern conference centre equipped with state-of-the art technologies.
